Objective of the Speed Dating Session

Unlock new opportunities and elevate strategic thinking by joining a dynamic Speed Dating session, organized in collaboration with the WSBI-ESBG Corporate Social Responsibility committee. This activity aims to bring together banking professionals from around the world to collaborate, brainstorm, and develop innovative strategies for enhancing corporate social responsibility within the banking sector.

Why Attend?

- **Collaborate Across Borders:** Work in diverse teams with colleagues from different countries, gaining unique insights and perspectives.
- **Real-World Challenges:** Tackle concrete cases and challenges that banks face today, simulating real-world banking scenarios.
- **Network and Grow:** Connect with like-minded professionals, expand your network, and form valuable relationships. Additionally, gain insights into the WSBI-ESBG Corporate Social Responsibility and Sustainable Development (CSR-SD) Committee.
- **Innovate Together:** Develop actionable strategies that address emerging market trends and enhance your bank's efforts in corporate social responsibility.

*The **WSBI-ESBG Corporate Social Responsibility and Sustainable Development (CSR-SD) Committee**, chaired by Roland Tassler from the Austrian Savings Banks Association, is central to promoting global collaboration among banking professionals committed to corporate social responsibility and sustainable development. It strives to set strategic priorities, promote key messages, and uphold best practices in sustainable banking. Through its initiatives, the committee fosters collective action, empowering banks globally to make substantial contributions to society and the environment.*
